A Selected List

OF

Books Placed in the Public Library

Since December, 1910.

For other and later titles see the current Weekly Lists.

The arrangement is that of a dictionary catalogue, entry being made by author, subject, and title. The printing of a name, usually of an author, in SMALL CAPITALS indicates that under that name in the main alphabet will be found further and fuller entry.

THE PUBLIC LIBRARY OF THE CITY OF BOSTON.

RULES AND REGULATIONS.

The following lines contain a brief summary of the rules governing the use of the Library, the full text of which in pamphlet form may be had free. Every user of the Library is expected to be familiar with them.

The use of the Library is free to all at seasonable hours.

Citizens, students, temporary sojourners, officers and men of the Army and Navy, and certain other persons may become card holders. Special privileges are granted also to teachers and clergymen, and loans of books are made upon deposit.

Application made in writing, with reference or student's certificate, secures a Library Card entitling the holder to draw books. Card holders must notify Registration Clerk of change of address. Cards are non-transferable and revocable, and registration may be cancelled. Lost cards entail penalty; responsibility continues. Cards must be presented and stamped regularly with each book drawn or returned.

Cards entitle the holder to two books for seven or fourteen days without renewal. Books are not transferable. There are limitations governing the issue of Seven-day books.

There are restrictions upon the lending for Home Use of certain books. These restrictions are shown in the Catalogue.

Any person may use books within the Library upon signing the proper form of application, promising to return them before leaving the room.

Fines of two cents a day and twenty-five cents per two weeks extra, for four weeks, and the full cost of replacing books, with loss of privileges until paid, are the penalty for overdetection. No exemption is granted except to children. Further detention is punishable by law.

Books must be used with care and all damage made good. Violations of this rule are punishable by fine and imprisonment.

Books must be returned when called for and are to be taken from the shelves only by employees, except in the open reference collections.

Conversation and other abuses are forbidden under penalty of expulsion. Damage to catalogues is punishable. Attendants must enforce the rules but may be reported for incivility.

The Central Library is open daily except holidays, from 9 A.M. till 10 P.M., Sundays, from 12 till 10 P.M., except that the summer closing hour is 9 P.M. both on week days and Sundays. The Branches are open at the hours posted therein.

HOUSE RULES.

A Coat Room is provided where garments and packages may be checked; but the Trustees assume no responsibility.

Dogs are not allowed in the building. Smoking is prohibited.

Employees are not, except in emergency, allowed to receive visitors during working hours.

If articles are lost or found in the Library Building the fact should be reported immediately to the Officer in charge of the Issue Department.

A Selected List

OF

Books Placed in the Public Library

Since March, 1911.

For other and later titles see the current Weekly Lists.

The arrangement is that of a dictionary catalogue, entry being made by author, subject, and title. The printing of a name, usually of an author, in SMALL CAPITALS, indicates that under that name in the main alphabet will be found further and fuller entry.

A Selected List

OF

Books Placed in the Public Library

Since June, 1911.

For other and later titles see the current Weekly Lists.

The arrangement is that of a dictionary catalogue, entry being made by author, subject, and title. The printing of a name, usually of an author, in SMALL CAPITALS, indicates that under that name in the main alphabet will be found further and fuller entry.

FREE PUBLIC LECTURES IN THE CITY OF BOSTON

IN THE LOWELL INSTITUTE.

(Founded in 1836 by John Lowell, Jr., and opened to the Public in 1839.)

PROGRAM FOR 1911-1912.

THE TRUSTEE of the Lowell Institute under the will of John Lowell, Jr., maintains annually in the City of Boston various Courses of Public Lectures. For the present—the seventy-third—season six distinct Series are provided, as follows:—

- I. FREE PUBLIC LECTURES IN HUNTINGTON HALL,—in Rogers Building, 491 Boylston Street.
- II. FREE EVENING SCHOOL FOR INDUSTRIAL FOREMEN.
- III. TEACHERS' SCHOOL OF SCIENCE.
- IV. FREE LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.
- V. COLLEGIATE COURSES.
- VI. FREE LECTURES ON LOCAL NATURAL HISTORY.

Further information in regard to each of the several Series is given below.

A. LAWRENCE LOWELL, *Trustee.*

W. T. SEDGWICK, *Curator.*

I. PUBLIC LECTURES IN HUNTINGTON HALL.

LOWELL INSTITUTE LECTURES open to the public will be given this year, as in recent years, in Huntington Hall, Rogers Building, 491 Boylston Street, Boston. The several Courses will be announced in advance, with full particulars, in the advertising columns of the *Boston Evening Transcript* and as far as possible in the *Quarterly Bulletins* of the Boston Public Library. They are briefly described on the following pages.

Admission to these Courses is Free, but only by Ticket (see, however, paragraph 7 beyond), the number of tickets being limited by the capacity of the Hall. Tickets are distributed to the public under the following rules:

1. Admission tickets to the First Lecture of each Course will be mailed, one to each applicant, in the order of application and until the supply is exhausted, to all persons applying by letter more than three days before the beginning of any Course to the CURATOR OF THE LOWELL INSTITUTE, 491 BOYLSTON STREET, BOSTON, and enclosing a stamped, addressed envelope. (See also paragraphs 3 and 4 beyond.)

In all such envelopes, if duly stamped and addressed, tickets will be placed and mailed as soon as they are ready for distribution and provided the supply is not already exhausted. But if, as often happens,

the desired tickets are not yet ready, the envelopes will be kept on file in the order of application; and, as a rule, tickets for any Course will be mailed to applicants a few days only before the actual beginning of that Course. When tickets are in much demand, only one ticket will be mailed to any one applicant or in any one stamped addressed envelope.

2. Persons desiring to secure tickets for more than one Course must send a SEPARATE, STAMPED, ADDRESSED ENVELOPE FOR EACH TICKET TO EACH COURSE.

3. On and after the day on which a Course begins, any tickets left over for that Course may be obtained at the Office of the Lowell Institute, 491 Boylston Street, between the hours of 9 A.M. and 4 P.M.; or by sending to the Curator (with a specific request for such left-over tickets), a stamped, addressed envelope; but no tickets will be given out at the Office of the Lowell Institute for any Course before the day on which that Course begins.

4. Persons attending the First Lecture of any Course may, just before entering the Hall, EXCHANGE their Admission Tickets to the First Lecture for TICKETS GOOD FOR RESERVED SEATS FOR THE ENTIRE COURSE.

5. In order to make the distribution entirely fair, all reserved-seat tickets are

placed beforehand in envelopes, some containing one ticket good for one reserved seat, some containing two or more tickets good for adjoining seats. The envelopes are then shuffled, and at the First Lecture of any Course all who desire to do so may, as first stated (see paragraph 4), exchange their *First-lecture Admission* tickets at tables in the vestibule, for envelopes drawn by lot, containing course tickets good for reserved seats.

6. Persons wishing to sit together may, by surrendering together their First-lecture Admission tickets (see paragraph 4), exchange these for envelopes containing

Course tickets for ADJOINING RESERVED SEATS.

7. A limited number of applicants having NO TICKETS OF ANY KIND may as heretofore obtain admission to the Hall (and almost always good seats for any lecture) by waiting in line in the vestibule at the foot of the stairs.

Ticket holders are requested to return promptly to the Curator or to the Office, for the benefit of others, tickets which they find they cannot use.

A *History of the Lowell Institute*, by Harriette Knight Smith, giving a complete list of the lecturers in previous years, the subjects of their lectures, etc., was published in 1898.

THE FIRST COURSE will be six lectures by FRANZ VALERY MARIE CUMONT, Conservator of the Museum of Antiquities in Brussels, Belgium, formerly Professor of Ancient History in the University of Ghent, Author of "The Mysteries of Mithra," "Oriental Religions in Roman Paganism," etc., on **Astrology and Religion in Antiquity**. 1. II. EVENING SCHOOL FOR INDUSTRIAL FOREMEN.

The Trustee of the Lowell Institute has established, under the auspices of the Massachusetts Institute of Technology, a Free Evening School for Industrial Foremen, comprising, at present, two Courses, one Mechanical and the other Electrical, each extending over two years.

The Courses of Instruction. — These Courses are intended to bring the systematic study of applied science within the reach of young men who are following industrial pursuits and desire to fit themselves for higher positions, but are unable to attend Courses during the day. The subjects included in the Courses are as follows:

First Year. — Mathematics; Elementary Physics and Electricity; Elements of Mechanism, and Drawing.

Second-year Mechanical Course. — Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Mechanics; Elementary Hydraulics; Testing Laboratory; Steam and Hydraulic Laboratory; Mechanism Design and Elementary Machine Design.

Second-year Electrical Course. — Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Steam Laboratory; Direct Current Machinery; Alternating Currents; Electric Distribution; Electrical

Testing Laboratory; and Laboratory of Dynamo Electric Machinery.

Those who complete satisfactorily the required Courses of the two years and pass the examinations are given certificates. The present school year will begin October 2, 1911. Attendance from 7.30 to 9.30 for three or four evenings a week is required, in addition to outside study.

Requirements for Admission. — To be admitted to the first-year course, the applicant must be at least eighteen years of age and pass satisfactorily entrance examinations in Arithmetic (including the Metric System), Elementary Algebra, Plane Geometry, and Mechanical Drawing. These examinations may be, in a measure, of a competitive nature, and considerable weight will be attached to the applicant's occupation and practical experience. The courses are open to those only who are ambitious and willing to study.

A circular giving detailed information regarding the nature of the entrance examinations and other requirements may be obtained by sending a stamped, addressed envelope to the Director, Professor Charles F. Park, Massachusetts Institute of Technology, Boston.

III. TEACHERS' SCHOOL OF SCIENCE.

Courses in this school are now included in the Extension Courses given by a combination of colleges in and about Boston; and as such they count as quarter courses for the A.A. degree at Harvard University, Tufts College, and Wellesley College. In accordance with a provision in the will of John Lowell, Jr., there will be a charge for each of these courses of \$5 or less. They

are given mainly under the auspices of the Boston Society of Natural History.

For details of these Courses consult the announcement of the University Extension Courses, page 283; for further information application may be made to Professor George H. Barton, Director, 234 Berkeley Street, Boston, or to the Commission on Extension Courses, University Hall, Cambridge.

IV. LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Under the Auspices of the Harvard Divinity School and the Andover Theological Seminary.

FREE LECTURES, maintained by the Lowell Institute under the auspices and by members of the Faculties of the Harvard Divinity School and the Andover Theological Seminary, will be given this year, as in re-

cent years, in King's Chapel, Tremont Street, Boston, on Mondays at 2.30 P.M., beginning about November 1. Admission is FREE and no tickets will be required. Detailed announcements will be made later.

V. COLLEGIATE COURSES.

These also have become a part of the University Extension Courses (see Series III. above), and as such they count towards the A.A. degree. In accordance with a provision in the will of John Lowell, Jr., there

will be charged for each collegiate course a fee of \$5 or less. For details of these Courses consult the announcement of the University Extension Courses, page 283.

FREE PUBLIC LECTURES IN THE CITY OF BOSTON

IN THE LOWELL INSTITUTE.

(Founded in 1836 by John Lowell, Jr., and opened to the Public in 1839.)

PROGRAM FOR 1911-1912.

THE TRUSTEE of the Lowell Institute under the will of John Lowell, Jr., maintains annually in the City of Boston various Courses of Public Lectures. For the present—the seventy-third—season six distinct Series are provided, as follows:—

- I. FREE PUBLIC LECTURES IN HUNTINGTON HALL,—in Rogers Building, 491 Boylston Street.
- II. FREE EVENING SCHOOL FOR INDUSTRIAL FOREMEN.
- III. TEACHERS' SCHOOL OF SCIENCE.
- IV. FREE LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.
- V. COLLEGIATE COURSES.
- VI. FREE LECTURES ON LOCAL NATURAL HISTORY.

Further information in regard to each of the several Series is given below.

A. LAWRENCE LOWELL, *Trustee.*

W. T. SEDGWICK, *Curator.*

I. PUBLIC LECTURES IN HUNTINGTON HALL.

LOWELL INSTITUTE LECTURES open to the public will be given this year, as in recent years, in Huntington Hall, Rogers Building, 491 Boylston Street, Boston. The several Courses will be announced in advance, with full particulars, in the advertising columns of the *Boston Evening Transcript* and as far as possible in the *Quarterly Bulletins* of the Boston Public Library. They are briefly described on the following pages.

☞ *Admission to these Courses is Free, but only by Ticket* (see, however, paragraph 7 beyond), the number of tickets being limited by the capacity of the Hall. Tickets are distributed to the public under the following rules:

1. *Admission tickets to the First Lecture* of each Course will be *mailed*, one to each applicant, in the order of application and until the supply is exhausted, to all persons applying by letter more than three days before the beginning of any Course to the CURATOR OF THE LOWELL INSTITUTE, 491 BOYLSTON STREET, BOSTON, and enclosing a stamped, addressed envelope. (See also paragraphs 3 and 4 beyond.)

In all such envelopes, if duly stamped and addressed, tickets will be placed and mailed as soon as they are ready for distribution and provided the supply is not already exhausted. But if, as often happens,

the desired tickets are not yet ready, the envelopes will be kept on file in the order of application; and, as a rule, tickets for any Course will be mailed to applicants a few days only before the actual beginning of that Course. When tickets are in much demand, only one ticket will be mailed to any one applicant or in any one stamped addressed envelope.

2. ☞ Persons desiring to secure tickets for more than one Course must send a SEPARATE, STAMPED, ADDRESSED ENVELOPE FOR EACH TICKET TO EACH COURSE.

3. On and after the day on which a Course begins, any tickets *left over* for that Course may be obtained at the Office of the Lowell Institute, 491 Boylston Street, between the hours of 9 A.M. and 4 P.M.; or by sending to the Curator (with a specific request for such left-over tickets), a stamped, addressed envelope; *but no tickets will be given out at the Office of the Lowell Institute for any Course before the day on which that Course begins.*

4. ☞ Persons attending the *First Lecture* of any Course may, just before entering the Hall, EXCHANGE their *Admission Tickets to the First Lecture* for TICKETS GOOD FOR RESERVED SEATS FOR THE ENTIRE COURSE.

5. In order to make the distribution entirely fair, all reserved-seat tickets are

placed beforehand in envelopes, some containing one ticket good for one reserved seat, some containing two or more tickets good for adjoining seats. The envelopes are then shuffled, and at the First Lecture of any Course all who desire to do so may, as first stated (see paragraph 4), EXCHANGE their *First-lecture Admission* tickets at tables in the vestibule, for envelopes drawn by lot, containing COURSE tickets good for RESERVED SEATS.

6. ☞ Persons wishing to sit together may, by surrendering together their First-lecture Admission tickets (see paragraph 4), exchange these for envelopes containing

Course tickets for ADJOINING RESERVED SEATS.

7. A limited number of applicants having NO TICKETS OF ANY KIND may as heretofore obtain admission to the Hall (and almost always good seats for any lecture) by waiting in line in the vestibule at the foot of the stairs.

Ticket holders are requested to return promptly to the Curator or to the Office, for the benefit of others, tickets which they find they cannot use.

A History of the Lowell Institute, by Harriette Knight Smith, giving a complete list of the lecturers in previous years, the subjects of their lectures, etc., was published in 1898.

COURSES FIRST TO EIGHTH, inclusive, are described in the preceding Bulletin of September 30, 1911.

THE NINTH COURSE will be six lectures by BLISS PERRY, LL.D., Professor of English Literature in Harvard University, on *American Traits in American Literature*. 1. RACE, NATION AND BOOK. 2. II. EVENING SCHOOL FOR INDUSTRIAL FOREMEN.

The Trustee of the Lowell Institute has established, under the auspices of the Massachusetts Institute of Technology, a Free Evening School for Industrial Foremen, comprising, at present, two Courses, one Mechanical and the other Electrical, each extending over two years.

The Courses of Instruction. — These Courses are intended to bring the systematic study of applied science within the reach of young men who are following industrial pursuits and desire to fit themselves for higher positions, but are unable to attend Courses during the day. The subjects included in the Courses are as follows:

First Year. — Mathematics; Elementary Physics and Electricity; Elements of Mechanism, and Drawing.

Second-year Mechanical Course. — Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Mechanics; Elementary Hydraulics; Testing Laboratory; Steam and Hydraulic Laboratory; Mechanism Design and Elementary Machine Design.

Second-year Electrical Course. — Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Steam Laboratory; Direct Current Machinery; Alternating Currents; Electric Distribution; Electrical Testing Laboratory; and Laboratory of Dynamo Electric Machinery.

Those who complete satisfactorily the required Courses of the two years and pass the examinations are given certificates. The present school year will begin October 2, 1911. Attendance from 7.30 to 9.30 for three or four evenings a week is required, in addition to outside study.

Requirements for Admission. — To be admitted to the first-year course, the applicant must be at least eighteen years of age and pass satisfactorily entrance examinations in Arithmetic (including the Metric System), Elementary Algebra, Plane Geometry, and Mechanical Drawing. These examinations may be, in a measure, of a competitive nature, and considerable weight will be attached to the applicant's occupation and practical experience. The courses are open

to those only who are ambitious and willing to study.

A circular giving detailed information regarding the nature of the entrance exami-

nations and other requirements may be obtained by sending a stamped, addressed envelope to the Director, Professor Charles F. Park, Massachusetts Institute of Technology, Boston.

III. TEACHERS' SCHOOL OF SCIENCE.

Courses in this school are now included in the Extension Courses given by a combination of colleges in and about Boston; and as such they count as quarter courses for the A.A. degree at Harvard University, Tufts College, and Wellesley College. In accordance with a provision in the will of John Lowell, Jr., there will be a charge for each of these courses of \$5 or less. They are given mainly under the auspices of the

Boston Society of Natural History.

For details of these Courses consult the announcement of the University Extension Courses, page 283 of the preceding Bulletin for September 30, 1911; for further information application may be made to Professor George H. Barton, Director, 234 Berkeley Street, Boston, or to the Commission on Extension Courses, University Hall, Cambridge.

IV. LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Under the Auspices of the Harvard Divinity School and the Andover Theological Seminary.

FREE LECTURES, maintained by the Lowell Institute under the auspices and by members of the Faculties of the Harvard Divinity School and the Andover Theological Seminary, will be given this year, as in recent years, in King's Chapel, Tremont Street, Boston, on Mondays at 2.30 P.M., beginning about November 1. Admission is

FREE and no tickets will be required. For the rest of the season the program is as follows:

"Apart from the Church," January 8, 15, 22, 29, by PROFESSOR W. W. FENN, being the last four of eight lectures by PROFESSOR E. E. MOORE and PROFESSOR W. W. FENN on *The Theology of Contemporary Religion*.

V. COLLEGIATE COURSES.

These also have become a part of the University Extension Courses (see Series III. above), and as such they count towards the A.A. degree. In accordance with a provision in the will of John Lowell, Jr., there

will be charged for each collegiate course a fee of \$5 or less. For details of these Courses consult the announcement of the University Extension Courses, page 283.

VI. LOCAL NATURAL HISTORY.

THE PUBLIC LIBRARY OF THE CITY OF BOSTON.

RULES AND REGULATIONS.

The following lines contain a brief summary of the rules governing the use of the Library, the full text of which in pamphlet form may be had free. Every user of the Library is expected to be familiar with them.

The use of the Library is free to all at seasonable hours.

Citizens, students, temporary sojourners, officers and men of the Army and Navy, and certain other persons may become card holders. Special privileges are granted also to teachers and clergymen, and loans of books are made upon deposit.

Application made in writing, with reference or student's certificate, secures a Library Card entitling the holder to draw books. Card holders must notify Registration Clerk of change of address. Cards are non-transferable, and revocable, and registration may be cancelled. Lost cards entail penalty; responsibility continues. Cards must be presented and stamped regularly with each book drawn or returned.

Cards entitle the holder to two books for seven or fourteen days without renewal. Books are not transferable. There are limitations governing the issue of Seven-day books.

There are restrictions upon the lending for Home Use of certain books. These restrictions are shown in the Catalogue.

Any person may use books within the Library upon signing the proper form of application, promising to return them before leaving the room.

Fines of two cents a day and twenty-five cents per two weeks extra, for four weeks, and the full cost of replacing books, with loss of privileges until paid, are the penalty for overdetection. No exemption is granted except to children. Further detention is punishable by law.

Books must be used with care and all damage made good. Violations of this rule are punishable by fine and imprisonment.

Books must be returned when called for and are to be taken from the shelves only by employees, except in the open reference collections.

Conversation and other abuses are forbidden under penalty of expulsion. Damage to catalogues is punishable. Attendants must enforce the rules but may be reported for incivility.

The Central Library is open daily except holidays, from 9 A.M. till 10 P.M., Sundays, from 12 till 10 P.M., except that the summer closing hour is 9 P.M. both on week days and Sundays. The Branches are open at the hours posted therein.

HOUSE RULES.

A Coat Room is provided where garments and packages may be checked; but the Trustees assume no responsibility.

Dogs are not allowed in the building. Smoking is prohibited.

Employees are not, except in emergency, allowed to receive visitors during working hours.

If articles are lost or found in the Library Building the fact should be reported immediately to the Officer in charge of the Issue Department.

THE PUBLIC LIBRARY OF THE CITY OF BOSTON.

RULES AND REGULATIONS.

The following lines contain a brief summary of the rules governing the use of the Library, the full text of which in pamphlet form may be had free. Every user of the Library is expected to be familiar with them.

The use of the Library is free to all at seasonable hours.

Citizens, students, temporary sojourners, officers and men of the Army and Navy, and certain other persons may become card holders. Special privileges are granted also to teachers and clergymen, and loans of books are made upon deposit.

Application made in writing, with reference or student's certificate, secures a Library Card entitling the holder to draw books. Card holders must notify Registration Clerk of change of address. Cards are non-transferable, and revocable, and registration may be cancelled. Lost cards entail penalty; responsibility continues. Cards must be presented and stamped regularly with each book drawn or returned.

Cards entitle the holder to two books for seven or fourteen days without renewal. Books are not transferable. There are limitations governing the issue of Seven-day books.

There are restrictions upon the lending for Home Use of certain books. These restrictions are shown in the Catalogue.

Any person may use books within the Library upon signing the proper form of application, promising to return them before leaving the room.

Fines of two cents a day and twenty-five cents per two weeks extra, for four weeks, and the full cost of replacing books, with loss of privileges until paid, are the penalty for overdetection. No exemption is granted except to children. Further detention is punishable by law.

Books must be used with care and all damage made good. Violations of this rule are punishable by fine and imprisonment.

Books must be returned when called for and are to be taken from the shelves only by employees, except in the open reference collections.

Conversation and other abuses are forbidden under penalty of expulsion. Damage to catalogues is punishable. Attendants must enforce the rules but may be reported for incivility.

The Central Library is open daily except holidays, from 9 A.M. till 10 P.M., Sundays, from 12 till 10 P.M., except that the summer closing hour is 9 P.M. both on week days and Sundays. The Branches are open at the hours posted therein.

HOUSE RULES.

A Coat Room is provided where garments and packages may be checked; but the Trustees assume no responsibility.

Dogs are not allowed in the building. Smoking is prohibited.

Employees are not, except in emergency, allowed to receive visitors during working hours.

If articles are lost or found in the Library Building the fact should be reported immediately to the Officer in charge of the Issue Department.

A Selected List

OF

Books Placed in the Public Library

Since March, 1912.

For other and later titles see the current Weekly Lists.

The arrangement is that of a dictionary catalogue, entry being made by author, subject, and title. The printing of a name, usually of an author, in SMALL CAPITALS, indicates that under that name in the main alphabet will be found further and fuller entry.

FREE PUBLIC LECTURES IN THE CITY OF BOSTON IN THE LOWELL INSTITUTE.

(Founded in 1836 by John Lowell, Jr., and opened to the Public in 1839.)

PROGRAM FOR 1912-1913.

THE TRUSTEE of the Lowell Institute under the will of John Lowell, Jr., maintains annually in the City of Boston various Courses of Public Lectures. For the present — the seventy-fourth — season five distinct Series are provided, as follows:—

- I. FREE PUBLIC LECTURES IN HUNTINGTON HALL, — the Rogers Building, 491 Boylston Street.
- II. FREE EVENING SCHOOL FOR INDUSTRIAL FOREMEN.
- III. TEACHERS' SCHOOL OF SCIENCE.
- IV. COLLEGIATE COURSES.
- V. FREE LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Further information in regard to each of the several Series is given below.

A. LAWRENCE LOWELL, *Trustee*.

W. T. SEDGWICK, *Curator*.

I. PUBLIC LECTURES IN HUNTINGTON HALL.

LOWELL INSTITUTE LECTURES open to the public will be given this year, as in recent years, in Huntington Hall, Rogers Building, 491 Boylston Street, Boston. The several Courses will be announced in advance, with full particulars, in the advertising columns of the *Boston Evening Transcript* and as far as possible in the *Quarterly Bulletins* of the Boston Public Library. They are briefly described on the following pages.

Admission to these Courses is Free, but only by Ticket (except as stated in paragraph 7 beyond), the number of tickets being limited by the capacity of the Hall.

Tickets are distributed to the public under the following rules:

1. Admission tickets to the First Lecture of each Course will be mailed, one to each applicant, in the order of application, and until the supply is exhausted, to all persons applying by letter more than three days before the beginning of any Course to the CURATOR OF THE LOWELL INSTITUTE, 491 BOYLSTON STREET, BOSTON, and enclosing a stamped addressed envelope. (See paragraphs 3 and 4 beyond.)

In such envelopes, if duly stamped and addressed, tickets will be mailed as soon as these are ready for distribution and pro-

vided the supply is not already exhausted. But if, as often happens, the desired tickets are not yet ready, the envelopes will be kept on file in the order of application; and, as a rule, tickets for any Course will be mailed to applicants a few days only before the actual beginning of that Course.

When tickets are in much demand, only one ticket will be mailed to any one applicant or in any one stamped addressed envelope.

2. Persons desiring to secure tickets for more than one Course must send A SEPARATE, STAMPED, ADDRESSED ENVELOPE FOR EACH TICKET TO EACH COURSE.

3. On and after the day on which a Course begins, any tickets left over for that Course may be obtained at the Office of the Lowell Institute, 491 Boylston Street, between the hours of 9 A.M. and 4 P.M.; or by sending to the Curator (with a specific request for such left-over tickets) a stamped addressed envelope; but, inasmuch as it is intended to distribute tickets chiefly by mail, no tickets will be given out at the Office of the Lowell Institute for any Course before the day on which that Course begins.

4. Persons attending the First Lecture of any Course may, just before entering the

Hall, EXCHANGE their *Admission tickets to the First Lecture* for TICKETS GOOD FOR RESERVED SEATS FOR THE ENTIRE COURSE.

5. In order to make the distribution entirely fair, all reserved-seat tickets are placed beforehand in envelopes, some containing one ticket good for one reserved seat, some containing two or more tickets good for adjoining seats. The envelopes are then shuffled, and at the First Lecture of any Course all who desire to do so may, as just stated (see paragraph 4), EXCHANGE their *First-lecture Admission tickets* at tables in the vestibule, for envelopes, drawn by lot, containing COURSE tickets good for RESERVED SEATS.

6. ¶ Two or more persons wishing to sit together may, by surrendering together their

First-lecture Admission tickets (see paragraph 4), exchange these for envelopes containing Course tickets for ADJOINING RESERVED SEATS.

7. A limited number of applicants having NO TICKETS OF ANY KIND may as heretofore obtain admission to the Hall for any lecture (and almost always good seats) by waiting in line in the vestibule at the foot of the stairs.

Ticket holders are requested to return promptly to the Curator or to the Office, for the benefit of others, tickets which they find they cannot use.

II. EVENING SCHOOL FOR INDUSTRIAL FOREMEN.

The Trustee of the Lowell Institute has established, under the auspices of the Massachusetts Institute of Technology, a Free Evening School for Industrial Foremen, comprising, at present, two Courses, one Mechanical and the other Electrical, each extending over two years.

The Courses of Instruction.—These Courses are intended to bring the systematic study of applied science within the reach of young men who are following industrial pursuits and desire to fit themselves for higher positions, but are unable to attend Courses during the day. The subjects included in the Courses are as follows:

First Year.—Mathematics; Elementary Physics and Electricity; Elements of Mechanism, and Drawing.

Second-year Mechanical Course.—Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Mechanics; Elementary Hydraulics; Testing Laboratory; Steam and Hydraulic Laboratory; Mechanism Design and Elementary Machine Design.

Second-year Electrical Course.—Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Steam Laboratory; Direct Current Machinery; Alternating Currents; Electric Distribution; Electrical Test-

ing Laboratory; and Laboratory of Dynamo Electric Machinery.

Those who complete satisfactorily the required Courses of the two years and pass the examinations are given certificates. The present school year will begin September 30, 1912. Attendance from 7.30 to 9.30 for three or four evenings a week is required, in addition to outside study.

REQUIREMENTS FOR ADMISSION.—To be admitted to the first-year course, the applicant must be at least eighteen years of age and pass satisfactorily entrance examinations in Arithmetic (including the Metric System), Elementary Algebra, Plane Geometry, and Mechanical Drawing. These examinations may be, in a measure, of a competitive nature, and considerable weight will be attached to the applicant's occupation and practical experience. The courses are open to those only who are ambitious and willing to study.

☞ A circular giving detailed information regarding the nature of the entrance examinations and other requirements may be obtained by sending a stamped addressed envelope to the Director, Professor Charles F. Park, Massachusetts Institute of Technology, Boston.

III. TEACHERS' SCHOOL OF SCIENCE.

Courses in this school are now included in the Extension Courses given by a combination of all the colleges in and about Boston; and as such they count as quarter courses for the A.A. degree at Harvard University, Tufts College, Radcliffe College, and Wellesley College. In accordance with a provision in the will of John Lowell, Jr., there will be a charge for each of these courses of \$5 or less. They are given mainly under the auspices of the Boston Society of Natural History. For the present season they will be as follows:—

Geology.—Professor GEORGE H. BARTON. First-year class: Mineralogy, Lectures and Laboratory Work, Saturdays, 9-11 A.M., beginning November 16. Third-year class: Dynamical and Structural Geology, Lectures, Saturdays, 2-4 P.M., beginning November 16.

Geography.—Economic Geography. Professor ELIZABETH F. FISHER, Lectures and Laboratory Work, Saturdays, 2-4 P.M., beginning October 5.

Botany.—Physiological Botany. Professor W. J. V. OSTERHOUT, Lectures and Laboratory Work, Saturdays, 10-12 M., beginning October 19.

Zoölogy.—Professor GEORGE H. PARKER, Saturdays, 2-4 P.M., beginning October 5.

FIELD LESSONS IN GEOLOGY (Free Tuition). Professor GEORGE H. BARTON. Saturdays, beginning September 14.

☞ For further information in regard to these Courses application should be made to Professor George H. Barton, Director, 234 Berkeley Street, Boston, or to the Commission on Extension Courses, University Hall, Cambridge.

IV. COLLEGIATE COURSES.

These also have become a part of the University Extension Courses, and as such they count towards the A.A. degree. In accordance with a provision in the will of John Lowell, Jr., there will be charged for each Collegiate Course a fee of \$5 or less.

For details as to these Courses consult

the announcement of the University Extension Courses, page 261.

☞ A circular giving information about these Courses and the other Courses offered by the Associated Colleges may be obtained by applying to the COMMISSION ON EXTENSION COURSES, University Hall, Cambridge.

V. LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Under the Auspices of the Harvard Divinity School and the Andover Theological Seminary.

FREE LECTURES, maintained by the Lowell Institute under the auspices, and by members of the Faculties, of the Harvard Divinity School or the Andover Theological Seminary, will be given, as in recent years,

in King's Chapel, Tremont Street, Boston. Admission is FREE and no tickets will be required. Detailed announcements will be made later.

THE PUBLIC LIBRARY OF THE CITY OF BOSTON.

RULES AND REGULATIONS.

The following lines contain a brief summary of the rules governing the use of the Library, the full text of which in pamphlet form may be had free. Every user of the Library is expected to be familiar with them.

The use of the Library is free to all at seasonable hours.

Citizens, students, temporary sojourners, officers and men of the Army and Navy, and certain other persons may become card holders. Special privileges are granted also to teachers and clergymen, and loans of books are made upon deposit.

Application made in writing, with reference or student's certificate, secures a Library Card entitling the holder to draw books. Card holders must notify Registration Clerk of change of address. Cards are non-transferable, and revocable, and registration may be cancelled. Lost cards entail penalty; responsibility continues. Cards must be presented and stamped regularly with each book drawn or returned.

Cards entitle the holder to two books for seven or fourteen days without renewal. Books are not transferable. There are limitations governing the issue of Seven-day books.

There are restrictions upon the lending for Home Use of certain books. These restrictions are shown in the Catalogue.

Any person may use books within the Library upon signing the proper form of application, promising to return them before leaving the room.

Fines of two cents a day and twenty-five cents per two weeks extra, for four weeks, and the full cost of replacing books, with loss of privileges until paid, are the penalty for overdetection. No exemption is granted except to children. Further detention is punishable by law.

Books must be used with care and all damage made good. Violations of this rule are punishable by fine and imprisonment.

Books must be returned when called for and are to be taken from the shelves only by employees, except in the open reference collections.

Conversation and other abuses are forbidden under penalty of expulsion. Damage to catalogues is punishable. Attendants must enforce the rules but may be reported for incivility.

The Central Library is open daily except holidays, from 9 A.M. till 10 P.M., Sundays, from 12 till 10 P.M., except that the summer closing hour is 9 P.M. both on week days and Sundays. The Branches are open at the hours posted therein.

HOUSE RULES.

A Coat Room is provided where garments and packages may be checked; but the Trustees assume no responsibility.

Dogs are not allowed in the building. Smoking is prohibited.

Employees are not, except in emergency, allowed to receive visitors during working hours.

If articles are lost or found in the Library Building the fact should be reported immediately to the Officer in charge of the Issue Department.

FREE PUBLIC LECTURES IN THE CITY OF BOSTON

IN THE LOWELL INSTITUTE.

(Founded in 1836 by John Lowell, Jr., and opened to the Public in 1839.)

PROGRAM FOR 1912-1913.

THE TRUSTEE of the Lowell Institute under the will of John Lowell, Jr., maintains annually in the City of Boston various Courses of Public Lectures. For the present—the seventy-fourth—season five distinct Series are provided, as follows:—

- I. FREE PUBLIC LECTURES IN HUNTINGTON HALL,—the Rogers Building, 491 Boylston Street.
- II. FREE EVENING SCHOOL FOR INDUSTRIAL FOREMEN.
- III. TEACHERS' SCHOOL OF SCIENCE.
- IV. COLLEGIATE COURSES.
- V. FREE LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Further information in regard to each of the several Series is given below.

W. T. SEDGWICK, *Curator*.

A. LAWRENCE LOWELL, *Trustee*.

I. PUBLIC LECTURES IN HUNTINGTON HALL.

LOWELL INSTITUTE LECTURES open to the public will be given this year, as in recent years, in Huntington Hall, Rogers Building, 491 Boylston Street, Boston. The several Courses will be announced in advance, with full particulars, in the advertising columns of the *Boston Evening Transcript* and as far as possible in the *Quarterly Bulletins* of the Boston Public Library. They are briefly described on the following pages.

☞ *Admission to these Courses is Free, but only by Ticket* (except as stated in paragraph 7 beyond), the number of tickets being limited by the capacity of the Hall.

Tickets are distributed to the public under the following rules:

1. *Admission tickets to the First Lecture* of each Course will be mailed, one to each applicant, in the order of application, and until the supply is exhausted, to all persons applying by letter more than three days before the beginning of any Course to the CURATOR OF THE LOWELL INSTITUTE, 491 BOYLSTON STREET, BOSTON, and enclosing a stamped addressed envelope. (See paragraphs 3 and 4 beyond.)

In such envelopes, if duly stamped and addressed, tickets will be mailed as soon as these are ready for distribution and pro-

vided the supply is not already exhausted. But if, as often happens, the desired tickets are not yet ready, the envelopes will be kept on file in the order of application; and, as a rule, tickets for any Course will be mailed to applicants a few days only before the actual beginning of that Course.

When tickets are in much demand, only one ticket will be mailed to any one applicant or in any one stamped addressed envelope.

2. ☞ Persons desiring to secure tickets for more than one Course must send A SEPARATE, STAMPED, ADDRESSED ENVELOPE FOR EACH TICKET TO EACH COURSE.

3. On and after the day on which a Course begins, any tickets left over for that Course may be obtained at the Office of the Lowell Institute, 491 Boylston Street, between the hours of 9 A.M. and 4 P.M.; or by sending to the Curator (with a specific request for such left-over tickets) a stamped addressed envelope; but, inasmuch as it is intended to distribute tickets chiefly by mail, *no tickets will be given out at the Office of the Lowell Institute for any Course before the day on which that Course begins.*

4. ☞ Persons attending the *First Lecture* of any Course may, just before entering the

Hall, EXCHANGE their *Admission tickets to the First Lecture* for TICKETS GOOD FOR RESERVED SEATS FOR THE ENTIRE COURSE.

5. In order to make the distribution entirely fair, all reserved-seat tickets are placed beforehand in envelopes, some containing one ticket good for one reserved seat, some containing two or more tickets good for adjoining seats. The envelopes are then shuffled, and at the First Lecture of any Course all who desire to do so may, as just stated (see paragraph 4), EXCHANGE their *First-lecture Admission tickets* at tables in the vestibule, for envelopes, drawn by lot, containing COURSE tickets good for RESERVED SEATS.

6. Two or more persons wishing to sit together may, by surrendering together their

First-lecture Admission tickets (see paragraph 4), exchange these for envelopes containing Course tickets for ADJOINING RESERVED SEATS.

7. A limited number of applicants having NO TICKETS OF ANY KIND may as heretofore obtain admission to the Hall for any lecture (and almost always good seats) by waiting in line in the vestibule at the foot of the stairs.

Ticket holders are requested to return promptly to the Curator or to the Office, for the benefit of others, tickets which they find they cannot use.

A History of the Lowell Institute, by Harriette Knight Smith, giving a complete list of the lecturers in previous years, the subjects of their lectures, etc., was published in 1898.

COURSES FIRST TO EIGHTH, inclusive, are described in the preceding Bulletin of September 30, 1912.

THE FIFTH COURSE will be six lectures by ÉMILE LEGOUIS, Professor of English literature at the Sorbonne in Paris and Exchange Professor at Harvard University, on *William Wordsworth*. 1. WORDSWORTH'S EARLY YEARS AND EARLY VERSE. 2. THE FRENCH REVOLUTION. WILLIAM GODWIN. 3. DOROTHY WORDSWORTH AND COLERIDGE. 4. WORDSWORTH'S OPTIMISM 5. HIS NATURE WORSHIP. 6. THE ESSENTIALS OF HIS POETRY. On Mondays and Fridays at five o'clock in the afternoon, beginning January 6.

THE SIXTH COURSE will be six lectures by RUDOLF EUCKEN, Professor in the University of Jena and Exchange Professor at Harvard University, on *The Fundamental Problems of Human Life*. 1. A JUSTIFICATION OF IDEALISM. 2. A DEFENCE OF MORALITY. 3. RELIGION AND PHILOSOPHY. 4. THE GREATNESS OF KANT. 5. GOETHE AS A PHILOSOPHER. 6. REALISM AND IDEALISM IN THE NINETEENTH CENTURY. On Tuesdays and Thursdays at five o'clock in the afternoon (or eight o'clock in the evening), beginning Tuesday, January 7.

II. EVENING SCHOOL FOR INDUSTRIAL FOREMEN.

The Trustee of the Lowell Institute has established, under the auspices of the Massachusetts Institute of Technology, a Free Evening School for Industrial Foremen, comprising, at present, two Courses, one Mechanical and the other Electrical, each extending over two years.

The Courses of Instruction.—These Courses are intended to bring the systematic study of applied science within the reach of young men who are following industrial pursuits and desire to fit themselves for higher positions, but are unable to attend Courses during the day. The subjects included in the Courses are as follows:

First Year.—Mathematics; Elementary Physics and Electricity; Elements of Mechanism, and Drawing.

THE SEVENTH COURSE will be six lectures by WILLIAM SCOTT FERGUSON, Professor of Ancient History in Harvard University, on *Some Aspects of Greek Imperialism*. 1. IMPERIALISM AND THE CITY-STATE. 2. ATHENS: AN IMPERIAL DEMOCRACY. 3. FROM SPARTA TO ARISTOTLE. 4. ALEXANDER THE GREAT AND WORLD MONARCHY. 5. THE PTOLEMAIC DYNASTY. 6. THE SELEUCID EMPIRE. On Mondays and Thursdays at five o'clock in the afternoon, beginning February 3.

THE EIGHTH COURSE will be six lectures by LAWRENCE J. HENDERSON, Professor of Biological Chemistry in Harvard University, on *The Fitness of the World for Life*. On Tuesdays and Fridays at five o'clock in the afternoon, beginning February 4.

THE NINTH COURSE will be eight lectures by GEORGE P. BAKER, Professor of Dramatic Literature in Harvard University, on *Dramatic Composition*. On Mondays and Thursdays at five o'clock in the afternoon, beginning Monday, March 3.

A COURSE OF EIGHT ILLUSTRATED LECTURES will also be given by WALTER RAYMOND SPALDING, Associate Professor of Music in Harvard University, on *The Development of Modern Opera*. (Dates and other details of this course will be given later.)

Second-year Mechanical Course.—Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Mechanics; Elementary Hydraulics; Testing Laboratory; Steam and Hydraulic Laboratory; Mechanism Design and Elementary Machine Design.

Second-year Electrical Course.—Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Steam Laboratory; Direct Current Machinery; Alternating Currents; Electric Distribution; Electrical Testing Laboratory; and Laboratory of Dynamo Electric Machinery.

Those who complete satisfactorily the required Courses of the two years and pass the examinations are given certificates. The present school year will begin September 30, 1912. Attendance from 7.30 to 9.30 for three

or four evenings a week is required, in addition to outside study.

REQUIREMENTS FOR ADMISSION.—To be admitted to the first-year course, the applicant must be at least eighteen years of age and pass satisfactorily entrance examinations in Arithmetic (including the Metric System), Elementary Algebra, Plane Geometry, and Mechanical Drawing. These examinations may be, in a measure, of a competitive nature, and considerable weight will be at-

tached to the applicant's occupation and practical experience. The courses are open to those only who are ambitious and willing to study.

☞ A circular giving detailed information regarding the nature of the entrance examinations and other requirements may be obtained by sending a stamped addressed envelope to the Director, Professor Charles F. Park, Massachusetts Institute of Technology, Boston.

III. TEACHERS' SCHOOL OF SCIENCE.

Courses in this school are now included in the Extension Courses given by a combination of all the colleges in and about Boston; and as such they count as quarter courses for the A.A. degree at Harvard University, Tufts College, Radcliffe College, and Wellesley College. In accordance with a provision in the will of John Lowell, Jr., there will be a charge for each of these courses of \$5 or less. They are given mainly under the auspices of the Boston Society of Natural History. For the present season they will be as follows:—

Geology.—Professor GEORGE H. BARTON. First-year class: Mineralogy, Lectures and Laboratory Work, Saturdays, 9-11 A.M., beginning November 16. Third-year class: Dynamical and Structural Geology, Lectures, Saturdays, 2-4 P.M., beginning November 16.

Geography.—Economic Geography. Professor ELIZABETH F. FISHER, Lectures and Laboratory Work, Saturdays, 2-4 P.M., beginning October 5.

Botany.—Physiological Botany. Professor W. J. V. OSTERHOUT, Lectures and Laboratory Work, Saturdays, 10-12 M., beginning October 19.

Zoölogy.—Professor GEORGE H. PARKER, Saturdays, 2-4 P.M., beginning October 5.

FIELD LESSONS IN GEOLOGY (Free Tuition). Professor GEORGE H. BARTON. Saturdays, beginning September 14.

☞ For further information in regard to these Courses application should be made to Professor George H. Barton, Director, 234 Berkeley Street, Boston, or to the Commission on Extension Courses, University Hall, Cambridge.

IV. COLLEGIATE COURSES.

These also have become a part of the University Extension Courses, and as such they count towards the A.A. degree. In accordance with a provision in the will of John Lowell, Jr., there will be charged for each Collegiate Course a fee of \$5 or less.

For details as to these Courses consult

the announcement of the University Extension Courses, page 261.

☞ A circular giving information about these Courses and the other Courses offered by the Associated Colleges may be obtained by applying to the COMMISSION ON EXTENSION COURSES, University Hall, Cambridge.

V. LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Under the Auspices of the Harvard Divinity School and the Andover Theological Seminary.

FREE LECTURES, maintained by the Lowell Institute under the auspices, and by members of the Faculties, of the Harvard Divinity School or the Andover Theological Seminary, will be given, as in recent years,

in King's Chapel, Tremont Street, Boston. Admission is FREE and no tickets will be required. Detailed announcements will be made later.
